

2017 CAPA Roster Report

Hello Fellow China Painters,

Wow! Isn't time moving fast? It is time to begin putting together the roster for 2017 & 2018. So I am reminding you that the CAPA dues should be mailed to Jean Unger our CAPA Treasurer. Mary Denny is giving Jean all the books and transferring the checking account to her. Remember that when you send Jean (or Mary) the dues and membership listing, you should also be sending me the membership information for the roster.

I will be finalizing the roster information at the end of September so that I can have the rosters printed and assembled by the October 28th EOC Meeting in Buena Park. Please let me know if you need any binders for new members and I will bring them with your updated roster pages. I hope you had a wonderful summer. Happy Painting!

Linda Hartshorn, Roster Chairman
