

Santa Clara Valley Porcelain Artists Fall 2017 CAPA Report

Our president, Sue Shears, opened our meeting with the Pledge of Allegiance. She discussed the decorated mug donation needed for our November meeting and how we can add needed grooming items (travel size) or tea bags and treats as part of the gift for women's shelter residents.

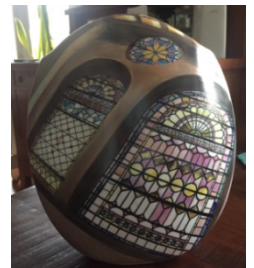

Donice McEwen and husband Blair provided a crafty treat item for our October meeting and we wished them a very happy 19th wedding anniversary

For "show and tell" we had Art Felipe tiles that Linda Hartshorn and Mary Denny brought back from a seminar at the World Show in Fredrickburg, Maryland.

Mary Gosden's seminar is planned for November 10, 11, 13 & 14. We will be taking Mary for a trip into the ocean on Sunday. The seminar will be using a vase with images of stained glass windows surrounding the vase..

The Christmas dinner is scheduled for December 6th at Mama Mia's again this year. Contact Maryellen Morgan and plan to bring a hand painted item for exchange. We viewed hand painted, beaded necklaces that will be prizes made by Linda Hartshorn and Sue Shears. The prizes will be wrapped and handed out to the 1st ticket drawn. They were spectacular!!!

Picture is from the Beading workshop at Mary Denny's on Saturday September 16th.

Have a safe and happy holiday season!
